ASSESSMENT:

[S-4 LOGISTICS] Operational requirement based on FRAGO 024-2024: ensure sufficient supplies, fuel, and resupply for upcoming reconnaissance patrol.. Current supply posture indicates 3rd PLT has LIMITED operational capability. Immediate resupply required to maintain mission readiness.

RECOMMENDATIONS:

- Submit PRIORITY resupply request for Class III (POL)
- Reduce non-essential vehicle movements
- Implement fuel conservation measures
- Coordinate with adjacent units for emergency supply transfer
